

VACANCY ADVICE BUSINESS REPORTING ANALYST

Sun Slots Shared Services (RF) (Pty) Ltd would like to recruit a Cape Town based Business Reporting Analyst in their Finance Department. The purpose of the role is to assist executive decision making by exploring and analysing available gambling and customer data and then presenting meaningful reports, as well as insights and suggestions based on these findings. The role would also be required to continually analyse the type, and source of aforementioned available data and propose any additional sources or mechanisms that would aid the company to gain additional insights. This position reports to the Financial Manager.

RESPONSIBILITIES OF THE POSITION INCLUDE BUT ARE NOT LIMITED TO

- Implement the statistical reporting process
- Timeous presentation of reports to relevant stakeholders.
- Investigate and perform business analysis, determine business system requirements.
- Design and document innovative business solutions using information technology (Power BI).
- Download the raw data from the monitoring system application, conduct basic analysis and update statistical reports & models as required.
- Clean and synthesise the data to ensure that it is accurate, and it represents the true stats of Sun Slots machines.
- Interrogate statistical reports / models for discrepancies and implement corrective actions accordingly
- Generate ad-hoc reports and analysis as required.
- Identify, investigate and reconcile any record discrepancies and system issues.
- Simplify reports to make it easy for senior management to pick otherwise non-visible trends.
- Ensure that reports are compiled accurately and timeously.
- Analysis of any significant variances in the statistical reports that are produced.
- Analyse our customer and players behaviors and spending patterns and the demographics of our customers.
- Assist with the interrogation of current software effectiveness and proposing modifications
- Adherence to internal and external policies and procedural regulations to comply with the Gambling Board and other related authorities.

QUALIFICATIONS, EXPERIENCE, SKILLS AND KNOWLEDGE REQUIRED

- Matric and 3 Year Diploma/Bachelor's degree with a focus on numeracy, modelling, analysis, technology; or
- 1-2 years performing statistical reporting or in an analytical role.
- Advanced knowledge of Microsoft Excel
- Basic understanding of statistical analysis software packages (e.g., SPSS or equivalent) with a willingness to learn more
- Knowledge of Business Intelligence tools (Tableau, Qlik Sense, Power BI, or equivalent);
- Strong analytical and problem-solving skills
- Excellent presentation skills
- High attention to detail and process driven
- Ability to interpret statistical information
- Very good communication (verbal and written) skills, including the ability to convey concepts and recommendations to staff at various levels in the organization and in a clear, concise style
- Self-motivated and deadline oriented
- Ability to multi-task
- Ability to work independently and without constant supervision

- High tolerance to change as the industry changes and therefore internal processes need to be modified
- Ability to work in a pressured environment and manage own stress
- Conceptual and analytical capacity to analyse budgetary and financial information;

Interested parties should email a detailed CV to recruit@sunslots.co.za by close of business on Monday 27 June 2022.
